the thermal expansion characteristics of stainless steel ... - the thermal expansion characteristics of stainless steel weld metal thermal expansion data are established to help in the proper selection of austenitic stainless ... **arxiv:1804.06516v3 [cs] 23 apr 2018** - figure 1. domain randomization for object detection. synthetic objects (in this case cars, top-center) are rendered on top of a random background (left) along with random flying distractors (geometric shapes next to the background images) in a scene with random lighting
