## Imagine Materialization Using Imagery

**the seth - bahaistudies** - the seth material the seth material is a system of philosophy presented by jane roberts and her husband robert butts as a consequence of the trance communications of an entity named seth. the origin of the material, however, is far less significant than its scope. **introduction to data warehousing and business intelligence** - • 5 9 case study of an enterprise • example of a chain (e.g., fashion stores or car dealers) each store maintains its own customer records and sales records hard to answer questions like: "find the total sales of product x from stores in aalborg" the same customer may be viewed as different customers for different stores; hard to detect duplicate customer information
